TERM 4 WEEK 10

WEDNESDAY 13TH DECEMBER 2017

This is the final school newsletter for 2017 and on behalf of the staff I would like to **wish all of our families and community members a safe, happy and healthy holiday period.**

Yesterday we celebrated the achievements of all of the students at our annual Presentation Day. **Congratulations to all members of our school community** – students, parents, teachers – as well as award recipients who have received special acknowledgement for their effort and accomplishments over the course of the year.

Student reports will be sent home today with all students K – 6. Be sure to congratulate all of our students as they have all been successful learners this past year.

The new school year will start on **Tuesday, 30th January 2018 for the students returning in Year 1 to Year 6.** Kindergarten students will begin on Wednesday, 31st January 2018 and will soon receive their staggered start time letters for their first day of 'big school'. Our first weeks back are very busy, with textbook day, the swimming carnival and Dancesport all starting early in the term.

End of Year Celebration

This Friday, 15th December, students in K-6 will have an end of year celebration with face painting, games and an animal farm petting zoo. It is also the P & C Sausage Sizzle Day. The canteen will be open at lunch only with some sales. Please advise the school if your child has any allergies and/or can't participate in any of the listed activities. Students are to wear their sports uniform on this day.

Catherine Leslie, Principal

Our Christmas/Holiday Concert and P & C Raffle Draw last Wednesday evening at Sylvania High School was a huge success! Thank you to everyone involved for a wonderful night!

Check out our School Website!

Last week there were **144** hits to our school website.

Forward Planning 2018

We have solid enrolments for Kindergarten and very healthy K~6 enrolments overall. A few more enrolments for 2018 would see us with smaller class sizes across the school. If you know anyone considering enrolment in any year from K to 6, please ask them to contact the school office. Also, please advise the office if your child will not be returning next year. Many factors are considered in the formation of class structures and we are already involved with forward planning for 2018.

ASSEMBLY AWARDS

TERM 4 WEEK 9
