Car Park - Safety

The car park area outside the school office is **not to be used for dropping off children at the start of the school day or collecting children at the end of the day.** The car parking spaces outside the Hall are for the use of the preschool parents **only**. Concerns continue about the safety of our students due to cars entering and leaving these restricted areas. **Please use the Clare Street gate** for dropping off and collecting your children.

Ethics Classes

An Ethics class for Stage 1 students and one for Stage 2 students has started at Sylvania Public School during Scripture (Special Religious Education – SRE and Special Ethics Education - SEE) time. Additional classes may be possible if there are interested families from other Stage groups and volunteers to deliver lessons. For more information about Primary Ethics, the curriculum or to volunteer as an ethics coordinator or teacher, enquire at the office or visit the website at: www.primaryethics.com.au.

Our school is registered to participate in COLES SPORTS for SCHOOLS. Every \$10 spent at Coles* Sylvania during the program will earn a Coles Sports for Schools voucher. The more vouchers our school collects, the more sports gear we receive. Vouchers can be placed in our school container at Coles, or students can bring them in and put them in our container here at school. Get your family, friends and neighbours to support our school, too!

There was much excitement at Assembly last week when two representatives from Woolworths presented the school with the art equipment, games and magnetic construction activity sets earned from last year's *Earn & Learn* competition! It's great when the children can see the results of their sticker collecting efforts! Very well done!

MindQuest

**ST GEORGE GIRLS HS
VICTORIA ST KOGARAH**

On Saturday 7 & Sunday 8 April 2018 the 87th NSW Talent Enrichment Weekend *MindQuest* will be held for primary students from Years 1-6 at St George Girls HS. These include gifted and talented students, gifted underachievers and students with above average ability with a special interest. Students will have an opportunity to participate in over 37 exciting, fast paced courses in the two day program. They include courses in chemistry, earth sciences, drama, lego robotics, art and much, much more. Many of these highly successful courses have been run in the past and students' evaluations suggest that they have been challenged and enriched by the experience. The cost of the weekend is \$200 (including GST).
