Live stand up for weird kids & their even weirder parents!

**Sylvania Public School – At the Bridge**

The KG sight word lesson led the children to making the sentence "I am at a happy school." The lively discussion produced the sentence on the white board and the children had lots to say:

- When you play outside on the equipment you are getting fit and healthy.
- When we are kind we make everyone happy.
- We share, we take turns, we help each other.
- When we are happy at school we like to learn.
- When we learn things that are fun it makes us happy learners.
- When we eat our *Crunch & Sip* it makes our bodies happy.
