TERM 3 WEEK 1

TUESDAY 24<sup>TH</sup> JULY 2018

## Welcome Back to a Busy Term 3

Term 3 is going to be a very full term with many special opportunities and events happening to support our children and their learning.

### Athletics Carnival

The Athletics Carnival is this Thursday, 26<sup>th</sup> July at the Sylvania Athletics Field for all students K-6. As the venue is an all weather track, the carnival will proceed rain or shine.

The **\$10.00 fee** covers track fees and registration as well as transportation and is **due from all students** attending the carnival. Please return your child's permission note as soon as possible. **Students who have not returned the signed permission notes will not be able to participate in carnival events.** Duplicate copies of the permission note may be obtained from the school's website. **Please note – children not returning to school at the end of the Carnival must be signed out from the Athletics Field by their parents/guardians.** Non-parents may only sign out children if they have provided written authorisation from the parents/guardians. Students and spectators may want to bring along a cushion, picnic rug or towel to sit on as the Athletics Field concrete grandstand seats can be quite cold.

### Public Speaking in Term 3

All students, parents and carers are reminded that our Public Speaking Competition is conducted each year during Term 3. School finalists will go on to compete against other schools in the zone finals later in Term 3.

### Spelling Bee Reminder!

Keep practicing your Spelling Bee words!

Catherine Leslie  
Principal

Check out the octopi and bright colours! Our Student Representative Council wanted to raise some money for the Cystic Fibrosis Foundation and our students can be proud of their creative "Crazy Hair Day" fundraising efforts – they raised \$143.00. We are very proud of you all!

## **Nationally Consistent Collection of Data - NCCD**

The Nationally Consistent Collection of Data on School Students (the national data collection) is an annual collection that counts the number of school students with learning difficulties and disabilities and the level of reasonable educational adjustment they are provided with. This mandatory federal government initiative has been in operation since 2013. For the purposes of the national data collection, students with learning difficulties such as dyslexia or auditory processing disorder as well as chronic health conditions like epilepsy, diabetes or asthma, that require active monitoring by the school, may be included. Please contact Mrs Leslie if you have any questions about the NCCD.
