All levels are catered for. **Places are filling up, don't miss out** - get your note and payment in as soon as possible.

## Partners in Learning – Parent Survey

The parent survey helps to clarify and strengthen the important relationship between parent and school. The survey only takes about 5 – 10 minutes. Your participation is important to us. Please follow the link below which is unique to our school to complete the survey.

## 2019 Forward Planning

Our enrolment is steadily growing and presently we have solid enrolments for Kindergarten 2019. If you know anyone considering enrolment in any year from K to 6, please ask them to contact the school office. Also, please advise the office if your child/ren will not be returning next year. Many factors are considered in the formation of class structures and we are already involved with forward planning for 2019.
