Our K - 2 Swimmers were absolutely fabulous at the pool!

coding

On Thursdays my class goes to coding. Coding means its the language the computer understand. We learnt to move the bird North, East, south, to the pig. I was the navigator, It was fun being the navigator because I got to tell the driver what to do.

Wonderful writing, Sebastian (Wow!) 

A fantastic effort 10/10

Coding

On every Thursday me and my friends go to coding. In coding we go on a computer. We try to get the angry bird to the pig. Then we were doing a matching game. I loved coding. 24.22.10
