Yesterday our Student Leader nominees presented their speeches, as the final step in the School Leader election process for 2020. They made truly incredible efforts, and we would like to congratulate all our nominees for being willing to step out of their comfort zones and putting themselves out there. No matter what else happens from here, they have done a phenomenal job, and they should be extremely proud. Following the speeches, every student and teacher in the school cast a vote to determine the school leaders for 2020. They cast one vote for a boy and one vote for a girl. The leaders for 2020 will be announced at Presentation Day. Well done again to all our nominees!

Our Kindergarten students have been learning about ***Living Things and their Needs***. They have completed this science unit by designing and building a shelter for their imaginary pet. They have made fish tanks, dog kennels, bird cages, rabbit hutches and cat scratching posts and play-gyms! They also wrote about their pet's needs, using their technology skills to select images from the internet to illustrate their work. What clever cookies we have in our Kindergarten class!

My fish needs a home to live in and she needs toys to play with and my fish needs food and water so it can breathe.

### **SRC News**

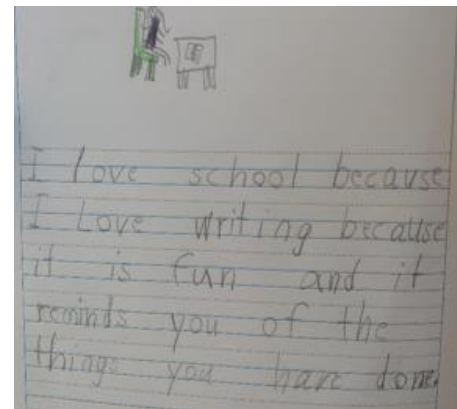

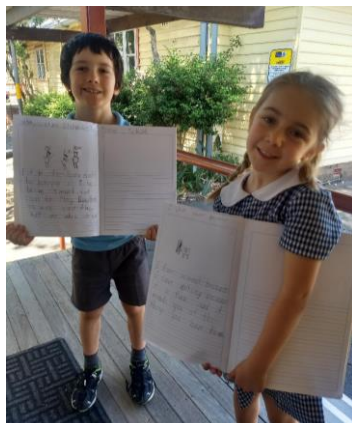

Thank you to all our families for your generous donations for our **Orana Christmas Can Drive!**

Once again, we have been overwhelmed by the support from our school community.

All donations will be taken to Orana at the end of this week.

Year 1 are involved in completing a 20 Day Kindness Challenge. Each day a student is presented with an activity to complete that promotes kindness and positivity within themselves and others. Wednesday's kindness challenge required two students to write a piece for the school newsletter detailing why they enjoy school life at Sylvania Public. This was completed enthusiastically by Ryvah and Mira. Check out their amazing writing!
