Car Park - Safety

The car park area outside the school office is **not to be used for dropping off children at the start of the school day or collecting children at the end of the day.** Concerns continue about the safety of our students due to cars entering and leaving these restricted areas. Cars using this area put toddlers as well as children who use the bike racks or walk to school via the Ellis Street gate at great risk. **Please use the Clare Street gate** for dropping off and collecting your children.
