Car Park - Safety

The car park area outside the school office is **not to be used for dropping off children at the start of the school day or collecting children at the end of the day.** Concerns continue about the safety of our students due to cars entering and leaving these restricted areas. Cars using this area put toddlers as well as children who use the bike racks or walk to school via the Ellis Street gate at great risk. **Please use the Clare Street gate** for dropping off and collecting your children.

Topic: Canteens shouldn't make kids pay for food. Name: Hi my name is Lina

Introduction - State your position
Canteens shouldn't make kids pay for food. It's not nice. What if their parents say they can't have money?

Argument 1
It makes kids beg their mums/dads for money.

Argument 2
It should be for free.

Argument 3

Reasons, facts and evidence
Kids will beg their mums/dads and this is a waste of money.

Reasons, facts and evidence
All the canteen foods should be for free because it's not fair for the kids that are not allowed to buy food.

The canteen food should be for free otherwise it's not nice for kids that don't let their mums/dads pay for them.

I've also had a little Rindergarten girl coming up to me and asking me where I got it from. I said 'oh for her the canteen has money.'

Kids will be sad about that and I don't want them to be sad.

It should also be for free because kids will keep on asking their parents for money and that wouldn't be good.

Persuasive Checklist
I have checked my...

Initials: LL

In conclusion, I believe that canteens should make kids pay for food for the reasons mentioned above.

Title: Why soccer is the best sport.

Introduction (What do you think? Do you agree or disagree?)

I strongly believe that soccer is the best sport. It is fun, not a single person sport and it is challenging. Here are some reasons why soccer is the best sport.

Reason 1

Firstly, soccer definitely encourages you to play outside and to keep you healthy by running. It is a fun sport because you are with your friends. You can have fun as well as training. You can learn from your coach and be very good because the coach teaches you skills.

Reason 2

Secondly, it is a team sport. Soccer because it is played on a field. We have soccer training with our friends. Your friends can help you or cheer you on. It's good to have team mates because your not alone. Your team mates can help you, be with you and stand up for you.

Reason 3

Finally, soccer is a challenging sport because it has to use your intelligence. It is challenging because we have to use our skills, timing and technique. Soccer is challenging because we have games that are very hard and very challenging against lots of teams.

Conclusion

In conclusion, this is why I believe that soccer is the best sport. Because it is fun, a team sport and it's challenging. Soccer is the best sport.

Great persuasive writing from Lina T and Gabriel M in 3/4C!
